To whom it may concern:

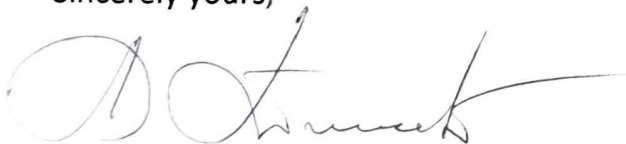

It is with great pleasure that I write about Milica Lawrence. She has been working as an independent artistic collaborator at the String Department at the Faculty of Philology and Arts in Kragujevac since 2005. With her students and colleagues she has held numerous concerts and won many awards while maintaining an active soloist career.

Milica is efficient, detail-oriented and extremely competent. She is organized, never misses a deadline and consistently performs on a high level. Her students and colleagues always speak very highly of her efforts and enthusiasm. Her talent, professionalism, dedication to teaching, and her obvious love for music make her an ideal candidate.

Do not hesitate to contact me if you need any further information.

Thank you very much for your kind consideration.

Sincerely yours,
