Re; Ms Milica Lawrence

Dear Sir/Madame,

I have got to know Ms Milica Lawrence over the last few months in her capacity as professional musician and piano teacher. Ms Lawrence is an accomplished pianist and accompanist and I became familiar with her performances initially through social media.

Since moving to Gozo, she has provided my daughter, age 13, with piano master classes on several occasions. My daughter is an advanced student with ARSM and LTCL diplomas achieved by the age of twelve. Ms Lawrence proved to be a highly dedicated and competent pedagogue at this level, with excellent communication and interpersonal skills, and my daughter found her lessons truly beneficial and inspiring.

I have no hesitation in recommending Ms Lawrence favourably. Should you wish to ask for further information, please email me on marcodelicata@gmail.com

Sincerely,

Marco Delicata LRSM
